**Table linen** : Napkins, Table covers and chair covers available in all colours.

## Bonnell Spring Mattress

## Pocket Spring Mattress

## Spine Sense

Spine Sense Collection by Super Comfort is the culmination of years of research and development and the most advanced version of firm mattress. It has been designed to achieve a balance between support and comfort. Sleeping on a mattress that is too firm is not a healthy choice, as our spine is not a straight line and it can cause aches and pains on pressure points.

Spine Sense Collection is made up from high density PUF to provide enhanced lumbar (lower back) support. While its poly quilted damask fabric exterior is soft and silky to ensure high comfort level during rest, it is steam treated as well for superior hygiene.

## DOWN & FEATHER

Super comfort make a wide range of Down & Feather's products such as Pillows, Duvets, Cushions, Mattress Toppers Filled with Natural down & Feather in Various blends to suite your Comfort level. All sizes available as per requirement.
